OVERVIEW

- Off Main Channel:** 3.18 Miles
- Depth:** 8.3 Feet at Survey (+2.8' MLLW)
- Tide Station:** Old Point Comfort (3.1'STR)
- Protection:** All Around
- Current:** Moderate
- Scenic:** Moderately Scenic
- Roominess:** Few Boats
- Shore Access:** Dinghy Dock

ANCHORAGE SUMMARY

Anchorage overlooking downtown Hampton's restaurant and shop district. Most appropriate for smaller boats due to limited depth and swinging room.

Exit main ship channel south of Old Point Comfort. Proceed northerly up Hampton River Channel (west of charted Phoebus Channel). Anchor to starboard, opposite Downtown Hampton Public Piers, behind small red floating aids. Room for a few boats.

Downtown Hampton Public Piers provides a free dinghy dock for excellent access to the town's services and visitor attractions. Marina showers are available for a nominal fee.
